The Product Certification Body has successfully applied Certification Scheme CZ-ITC 3, v_6_2024

and requirements of the technical specifications above. This Certificate confirms at the same time that the manufacturer has preconditions for assuring stable quality of the production.

The Certificate has been issued based on the product description, the related documentation and results of the assessment as stated in the Final Report No. 373300327/2026.

Terms of use of the certificate and related information:

1. The certificate relates only to the above referenced model(s) of the product.
2. It does not imply that Product Certification Body has performed any surveillance or control of the manufacturing process.
3. It is the responsibility of the certificate holder to ensure the conformity of all products of the model with the type assessed through this certificate.
4. The certificate remains valid until the manufacturing conditions or requirements of the relevant documents are changed, but no longer than to the date of validity.
5. The certificate holder shall inform Product Certification Body about all essential changes in the production or materials of the certified product(s) which might affect the product conformity.
6. The certificate holder shall follow the Rules for Certificate Use accessible at: www.itczlin.cz.

Certificate valid until: 07. 04. 2026

Certificate Issue Date: 08. 04. 2026

(This Certificate replaces fully Certificate No. 23 0196 V issued on 18. 04. 2023)

Ing. Dušan Shejbal, Ph.D.

Deputy Director of Certification Division
